JAPAN **AICA**

AICA Japan was established in 1936 and has solidified its position as the No.1* decorative laminate manufacturer in Japan. With a steadfast commitment to excellence, we have expanded our operations globally, and strive to deliver unparalleled quality in every product we offer transcending borders to enrich lives worldwide.

A conscious sequence into the future

Japan, India, or wherever. Regardless of a nation's name or whereabouts, where layers of human history have accumulated is where techniques and sophistication of style exist.

Bringing our technologies and hearts together creating chemistry, we will shape new values and new sights for the future.

COMING TOGETHER TO CREATE NEW WORLDS

INDIA **Sunmica**

Sunmica, a well-known brand in Laminates, has become synonymous with the product itself. Under the ownership of AICA, we proudly continue this legacy by integrating Japanese technology, crafting inventive designs, and ensuring the finest quality for our valued customers.

CELSUS

Anti-Fingerprint (AFP) HPL

In 2008, we launched CELSUS, the world's first decorative panel featuring Anti-Fingerprint (AFP) capabilities. (According to our research)

AICA's proprietary technology successfully keeps fingerprints from being visible on HPL and, in addition, allows for reduced HPL surface reflectance while creating vivid colors and patterns.
